VOLUNTEER to be on a Committee

Managing the The Villages at Queen Creek Homeowners Association, Inc. requires homeowners willing to devote a portion of their energy, time and talent. Your contribution is essential to the success of the Association and will give you the benefit of knowing you are doing "your share" to maintain and enhance the community.

I am interested in participating in the:

The Board of Directors (BOD) is responsible for appointing members to the various committees within the community. There are often several residents volunteering for only a few spots on a committee. Given this, the BOD would like to gather information from possible volunteers in order to make an educated decision for the appointment of committee members to committees. We appreciate any information you could share with us about your experience, qualifications and reasons for wanting to serve in this role.

Do you have any previous experience working on the committee you are volunteering for? Please describe experience if any.

Why would you like to work on the committee that you are volunteering for?

Do you have any experience working on an HOA Board or committee?

How do you feel your education / experience has prepared you for working on the committee you have volunteered for?

Any other information you would like to share about yourself that would be helpful for us to know?

I have education/experience in the following areas _____
